Enterprise IT Vendor

We've made some really good connections with a lot of follow-ups, mainly because of curiosity as to what's coming down the pipeline for those who are about to step into the AI agentic world and how this will define the future of work. A lot of people wanted to have further follow-ups to connect and discuss what this means for their organizations.

Executive Roundtable at Syndicated Event

This is an Executive Roundtable hosted by IDC during the lunch session of a Syndicated Event, specifically inviting executive-level attendees (Director above).

It provides an excellent opportunity for sponsors to build relationships with **IT and technology decision-makers** in a focused and intimate setting.

This program is designed to help address a common challenge faced by marketing and sales teams: **limited direct access to executive-level contacts** from the Syndicated Event attendee list.

“ We are sincerely grateful for the opportunity to present our new solution to a highly engaged audience of business decision-makers.
